ABOUT SRIRAM ENGINEERING COLLEGE

Sriram Engineering College is one of the leading Institution in Tamilnadu Established in the year 1993 near Veppampattu Railway Station, Thiruvallur district. The institution has been making strides and achieving excellence in technical education for the past two and half decades. The college has produced several University Gold medalists and University Rank Holders and shaped around 10,000 Dynamic Engineers and Technocrats since its inception. Our Alumni have spread globally and have occupied premier positions taking their alma mater to glorious heights.

ABOUT THE DEPARTMENT

The Department of Chemistry has experienced and highly qualified faculty members having sound background in research as well as in reputed government institutions. They have published a large number of research papers in International and National Journals and obtained Patents. They are guiding students in their quest to gain knowledge in understanding the basics of Chemistry and latest innovations in the field. The Department has state of the art laboratory for conducting research in Applied Chemistry.

ABOUT THE SEMINAR

The main aim of the Seminar is to provide a platform for Students, Engineers, Researchers and Scientists to share their Knowledge and Ideas and deliberate on exciting research findings globally. The Event is expected to provide an opportunity to further enhance the Collaborative Research on Emerging Technologies Redefining Chemistry in 21st Century.
