

SRIRAM ENGINEERING COLLEGE

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Report on National Conference on “Power and Energy Systems” conducted on 10.03.2020

The National Conference on Power and Energy Systems was conducted with an aim to provide a platform for students, engineers, researchers and scientists to share their knowledge and ideas and deliberate on exciting research findings globally.

Conference Scope

- Advances in Renewable energy systems
- Analysis of power quality and PS stability
- Application of power electronics in electric drives and power systems
- Electric energy processing and storage
- Advanced PS protection
- PS dynamics and stability
- Power system automation

More than 50 scientific papers were received from the authors, from various institutions

The Inauguration started with tamizh thai vaazthu. As a mark of our tradition and culture, the dignitaries lighted the kuthuvillaku.

The conference was launched with warm welcoming address from the Professor & Head of Electrical & Electronics Engineering, Dr.P. Saravanan stating the importance and identity of this conference. Dr. S. R. Kannan, Principal, Sriram Engineering College delivered the felicitation address. He congratulated the department for their team work in pursuing all the conference related work and wished them a grand success. He also encouraged the students to urge and learn to make themselves competent to this fast growing world and also shared his views on Energy Consumption per capita of various countries. It was followed by the introduction of chief guest by Mrs. S. Angeline Priyadharsini, Assistant Professor of EEE. Dr. S. R. Kannan, Principal, Sriram Engineering College honored the chief guest with a shawl and memento. Dr. J. Balamurugan, Assistant Executive Engineer, TNEB, Chennai, focused on the practical aspects of understanding science and new findings. He insisted that the students should always have scientific proof for new findings. He pinpointed several instances in his experience and motivated the young minds. The Conference Proceedings was released by the chief guest and the copies were received by the Principal, HoD and the coordinator.

The Vote of Thanks was delivered by Ms. I. Dhanabharathi, Assistant Professor of EEE. On behalf of the department of Electrical and Electronics & Engineering, the hosting department, she extended her gratitude to the College Management, Principal, HoD, Chief Guest, and Organizing Committee members for their overwhelming support and guidance. The Conference inauguration came to end with the National Anthem.

Students and Faculty from Our Institute and Other Institutes participated in the National Conference on Power and Energy Systems Conducted on 10.3.2020

Principal, Dr.S.R. Kannan, honored Chief Guest Dr.J.Balamurugan with Shawl and Memento

Chief Guest Dr.J. Balamurugan addressing the gathering during National Conference on 10.3.2020

Chief Guest, Dr.J.Balamurugan, Principal, Dr. S. R. Kannan, Professor & Head, Dr. P. Saravanan, Co-Convenor, Ms.S.Angeline Priyadharsini releasing the Conference Proceedings during National Conference on Power and Energy Systems on 10.3.2020.

Professor & Head of EEE, Dr. P. Saravanan and Co-Convenor, Ms. S. Angeline Priyadharsini distributed prizes and certificates for the Best Paper presented in the National Conference on Power and Energy Systems by A.Dharshini, P.Keerthana, M.Sowmiya of T.J.S. Engineering College.
